RANGER INSULATION CO.

You have options when it comes to insulation, but the differences between subs aren't always visible on a bid sheet. See why Ranger is your best choice for all your insulation needs.

COMPARISON AT A GLANCE

	TYPICAL SUB	RANGER INSULATION
Industry Knowledge	• Insulation-only experience • Limited jobsite awareness	• 30+ years in the trades • Thinks like a builder, not just a sub
Foam Product	• Imported/unknown source • ~6.5R per inc	• InsulStar by NCFI — verified domestic • True 7.1R per inch
Walkthrough/Consult	• Show up and measure/spray • Scope verified day-of	• Every project walked & discussed before install • Issues flagged before they become problems
Product Packages	• One-size-fits-all recommendations	• Creative solutions to work with your budget & maximize efficiency
Crew	• High turnover • Variable training	• Long-term, committed crew • Fully trained sprayers
Scheduling	• Works around their calendar • You adjust to them	• Coordinates with you or PM • Built around your time frame
Bids	• Lump-sum, unclear scope • Change orders on install day	• Clear, itemized scope • No surprises/change orders on install
Communication	• Reactive: you hear about problems after the fact	• Proactive: we flag issues early & let you know what might affect install
Job Site	• Cleanup varies • Debris left behind	• Clean site standard, every time • Ready for the next trade
Local Knowledge	• Front Range crews driving up to Grand County • Unfamiliar with local codes, GCs, and subs	• Deep Grand County expertise • Full understanding of Climate Zone 7 codes & building depts.

ABOUT RANGER INSULATION

Ranger Insulation was founded by Zane Bishop, a second-generation contractor with more than 30 years of hands-on construction experience right here in Grand County. Zane built Ranger because he understood firsthand what general contractors and homeowners actually need from an insulation sub: someone who shows up on time, communicates clearly, works clean, and doesn't create problems on the job site.

Every part of how Ranger operates was designed from that perspective: from the pre-install walkthrough that catches issues before they slow you down, to the clean site standard that means the next trade can walk in without a second thought. We use InsulStar by NCFI, a verified domestic manufacturer and one of the oldest and most trusted spray foam producers in the United States.

We believe the best proof of our work is the relationships we've built with the same builders, contractors, and homeowners in Grand County, year after year.

READY TO SEE THE RANGER DIFFERENCE?

Send us your plans for a no-surprise bid, or schedule a walkthrough and let us show the difference our job site awareness and expertise can make.
